**MOBILE SERVICE – FOR
THOSE EXCEPTIONAL CASES:
01802-64 64 43 57**

In all probability your MINI will manage perfectly well without it, but all the same it's good to have it there: BMW Group Mobile Service. Wherever and whenever you need us, Mobile Service is at the end of a phone line. Offering a complete service in the event of a breakdown. Our specialists in the Mobile Service operations centre are there 24 hours a day to get your MINI back on the road if need be.

**MINI HELP –
WE'RE ON THE LINE.**

Our number is always to hand: just open the boot of your MINI. That's where you'll find a conspicuously placed sticker with the Mobile Service telephone number. Please have your vehicle documents ready when you call.

And if you need assistance on the motorway you can expressly ask for BMW Group Mobile Service from an emergency telephone. That way your MINI will be in the best hands.

Available round the clock all over the country. Please have your vehicle documents ready when you call. From abroad call: +49-89-260 99 09.

SOS? HELP IS ALREADY ON ITS WAY.

In case of 'emergency' we'll be there in no time. Our Servicemobile will be with you shortly after your call. The technician will arrive with an extensive array of tools to get your MINI back on the road. But often our specialists will already be able to help you over the telephone.

HEAD FOR THE BORDER WITHOUT A CARE: MOBILE SERVICE ABROAD +49-89-260 99 09

Even outside Germany you can continue to enjoy carefree motoring with your MINI. For Mobile Service is also there for you abroad – in over 60 countries. So you can start any journey in a relaxed frame of mind. And should you break down, you can enjoy our mobility services – from towing to overnight accommodation. For more details see the "SERVICE CONTACT" brochure or visit MINI.com.

WE TURN NIGHT INTO DAY.

We never stop: whatever time of the day or night, Mobile Service is just a phone call away. Our Servicemobiles are out working from 7 in the morning till 10 at night every day, including Sundays and bank holidays. Outside these times the professionals at the Mobile Service operations centre can help you – 24 hours a day.

KEEP YOUR MINI IN TOP FORM.

We get your MINI going again. The services provided by Mobile Service – partly for legal reasons – have to be limited to getting your MINI back on the road. So we're sure you'll understand that maintenance and major repair work, wear and tear repairs and simply ordering parts have to be done through an authorised MINI dealer.

**MOBILE SERVICE –
MAKES DRIVING A MINI EVEN MORE FUN!**

ALWAYS ON THE MOVE? NO PROBLEM!

- **24 hours – 7 days a week:** one call is all it takes to reach the MINI specialists.
- **Cost factor = zero:** calling out the Servicemobile for a breakdown is free – only parts are charged.
- **Know-how and equipment:** the BMW Group's Servicemobiles provide breakdown assistance on the spot.
- **There in no time:** fast and efficient service.
