**KALDES EN GOKART EGENTLIG EN GOKART OVERALT I VERDEN?  
(IS THE WORD GO-KART THE SAME IN EVERY LANGUAGE?)**

On the following pages you'll find a few phrases that should be familiar to MINI drivers all over the world.

Blink and you'll miss it. The integrated sunroof function can even be operated while the car is in motion.

**IL PASSO E LA CARREGGIATA? PRESTO DETTO: LUNGO E LARGA.  
(WHEELBASE AND TRACK? IN TWO WORDS: "LONG" AND "WIDE".)**

Wide track, long wheelbase, short overhangs, low centre of gravity – it all adds up to pure go-kart feeling.

**TILAA KAHDEKSALLE HENKILÖLLE – NELJÄ SIIHEN, NELJÄ TAAKSE.  
(SEATS EIGHT IN COMFORT – FOUR ON THE WAY THERE, FOUR ON THE WAY BACK.)**

Not every four-seater is a MINI. But every MINI is a genuine four-seater. Including the MINI Cabrio.

**TE SNEL? MAAR IK ZAT NOG MAAR IN TWEE!  
(TOO FAST? BUT I WAS ONLY IN SECOND GEAR!)**

The MINI Cooper S has a displacement of 1.6 litres, a power output of 125 kW (170 bhp), 220 Nm of torque and races to 100 km/h in just 7.2 seconds.

With a MINI Cabrio, there are more possibilities than you ever imagined. And that goes for the choice of paints, upholstery and soft top colours too. There is an almost bewildering variety of possible combinations. Particularly striking is the metallic Cool Blue effect colour – depending on how the light strikes it, it can appear almost grey or a dazzling blue. But it's always appealing to the eye.

## RECYCLING.

At every stage, from design to disassembly, recycling is central to the MINI philosophy. For example, all the materials used in its manufacture were selected because they can be used in a sustainable and environmentally friendly way. And every MINI is built to be easily and economically recycled when its driving days are finally done. We have been working on this approach since 1994 at the BMW Group Recycling and Disassembly Centre in Munich, the only facility of its kind. Your MINI dealer will also be pleased to advise you on the disposal of your old vehicle.

## WARRANTY.

Every MINI is supplied with a 2-year unlimited mileage dealer warranty. (This excludes wear-and-tear parts.)

Every MINI also comes with a 12-year anti-corrosion warranty, which covers the vehicle against rusting of the body panels. This warranty is dependent on any previous damage to the vehicle body or under-body (e.g. stone impact damage, scratches, dents, accident damage or other damage caused by environmental factors) having been correctly repaired in accordance with current MINI guidelines.

The painted surfaces of the car are covered by an extended 3-year warranty. This excludes any damage to painted surfaces caused by external or environmental factors.

The models illustrated in this flyer show the specifications for various markets. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets, alterations in models, standard and optional equipment, as described in the text and illustrations, may occur. For precise information, please contact your MINI dealer. Subject to change in design and equipment. Subject to error.
