

MINI.
MINI CABRIO.

**KALDES EN GOKART EGENTLIG EN GOKART OVERALT I VERDEN?
(IS THE WORD GO-KART THE SAME IN EVERY LANGUAGE?)**

On the following pages you'll find a few phrases that should be familiar to MINI drivers all over the world.

**OUVERTURE 24 H/24. FERMETURE EN 15 SECONDES.
(OPEN 24/7. CLOSSES IN JUST 15 SECONDS.)**

Blink and you'll miss it. The integrated sunroof function can even be operated while the car is in motion.

**IL PASSO E LA CARREGGIATA? PRESTO DETTO: LUNGO E LARGA.
(WHEELBASE AND TRACK? IN TWO WORDS: "LONG" AND "WIDE".)**

Wide track, long wheelbase, short overhangs, low centre of gravity – it all adds up to pure go-kart feeling.

**TILAA KAHDEKSALLE HENKILÖLLE – NELJÄ SIIHEN, NELJÄ TAKAISIN.
(SEATS EIGHT IN COMFORT – FOUR ON THE WAY THERE, FOUR ON THE WAY BACK.)**

Not every four-seater is a MINI. But every MINI is a genuine four-seater. Including the MINI Cabrio.

**TE SNEL? MAAR IK ZAT NOG MAAR IN TWEE!
(TOO FAST? BUT I WAS ONLY IN SECOND GEAR!)**

The MINI Cooper S has a displacement of 1.6 litres, a power output of 128 kW (175 bhp), 260 Nm of torque with the overboost function activated, and races to 100 km/h in just 7.1 seconds.

**MEJOR PROTEGIDO QUE EL MUSEO DE ARTE MODERNO.
(BETTER PROTECTED THAN THE MUSEUM OF MODERN ARTS.)**

ABS, CBC and EBD as standard, with optional ASC+T (as standard on the MINI Cooper S) and DSC. On the MINI Cabrio and every other MINI.

MINI ONE. MINI COOPER. MINI COOPER S.

MINI ONE. MINI COOPER.

MINI COOPER S.

All figures in millimetres.

There is a generous amount of interior space, and the seats adjust to give a perfect fit for passengers of all shapes and sizes.

Way to go! The optional navigation system with 16:9 LCD monitor guides you to your destination with a combination of voice directions, arrows and/or maps.

There are six possible surface finishes for the instrument panel, and depending on the upholstery chosen, these can be combined with five Colour Line colours for the knee roll and the armrests in the doors.

☒ as standard ☐ optional extra

¹ Expected to be available from second quarter of 2007.

MINI ONE CABRIO. MINI COOPER CABRIO. MINI COOPER S CABRIO.

MINI ONE CABRIO. MINI COOPER CABRIO.

MINI COOPER S CABRIO.

All figures in millimetres.

The MINI Cabrio's fully automatic convertible soft top not only opens and closes at the touch of a button (in just 15 seconds), but also features an integrated sunroof function that opens to a maximum of 40 centimetres and can be operated while the car is moving at up to 120 km/h.

The tailgate folds down and the rear section of the soft top swings up, giving a wider opening for better access to the luggage area (Easy Load function). With the rear backrests folded down, the MINI Cabrio has a luggage capacity of 605 litres.

Tank capacity	l	50	50	50

All figures relate to vehicles with the standard 5-speed manual transmission or standard 6-speed manual transmission. Figures in square brackets relate to vehicles with 6-speed automatic transmission.

* Varies depending on whether the soft top is open (120 l) or closed (165 l, 605 l with both rear backrests folded down).

SOFT TOP IN BLACK:
as standard on all MINI Cabrios.

SOFT TOP IN BLUE: available as an optional extra on the MINI Cooper Cabrio and MINI Cooper S Cabrio.

SOFT TOP IN GREEN: available as an optional extra on the MINI Cooper Cabrio and MINI Cooper S Cabrio.

With a MINI Cabrio, there are more possibilities than you ever imagined. And that goes for the choice of paints, upholstery and soft top colours too. There is an almost bewildering variety of possible combinations. But whichever one you go for, it's sure to look good.

RECYCLING.

At every stage, from design to disassembly, recycling is central to the MINI philosophy. For example, all the materials used in its manufacture were selected because they can be used in a sustainable and environmentally friendly way. And every MINI is built to be easily and economically recycled when its driving days are finally done. We have been working on this approach since 1994 at the BMW Group Recycling and Disassembly Centre in Munich, the only facility of its kind. Your authorized MINI dealer will also be pleased to advise you on the disposal of your old vehicle.

WARRANTY.

Every MINI is supplied with a 2-year unlimited mileage dealer warranty. (This excludes wear-and-tear parts.)

Every MINI also comes with a 12-year anti-corrosion warranty, which covers the vehicle against rusting of the body panels. This warranty is dependent on any previous damage to the vehicle body or under-body (e.g. stone impact damage, scratches, dents, accident damage or other damage caused by environmental factors) having been correctly repaired in accordance with current MINI guidelines.

The painted surfaces of the car are covered by an extended 3-year warranty. This excludes any damage to painted surfaces caused by external or environmental factors.

The models, standard and optional equipment and combinability of options in this flyer relate to cars supplied by BMW AG for the German market. The availability of standard and optional equipment, and the combinability of options, may vary from country to country within the European Union for all models. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to change in design and equipment.

The people, quotes and events described in this flyer are entirely fictitious and any resemblance to actual persons, living or dead, is purely coincidental.
