

MINI COOPER

MINI COOPER S

IS IT LOVE?

MINI COOPER. MINI COOPER S.

G

WHEN WAS THE  
LAST TIME YOU WERE  
CRAZY

ABOUT SOMETHING?

Long wheelbase. Wide track.  
Low centre of gravity. We call it  
go-kart feeling.

You'll call it unforgettable.

MINI COOPER

MINI COOPER S

IS IT LOVE?

WHEN WAS THE LAST TIME  
YOU FELT  
THIS MUCH ENERGY?

The MINI Cooper S. 163 bhp.  
Six gears. 218 km/h.

Don't say we didn't warn you.

MINI COOPER S

IS IT LOVE?

**WHEN WAS THE  
LAST TIME YOU FELT**

**BUTTERFLIES**

**IN YOUR STOMACH?**

The MINI Cooper and the MINI Cooper S:  
equally agile, equally fun to drive.  
And equally hard to walk away from.

BMW AG

IS IT LOVE?

Alternator output	A	105	105

¹ The figure quoted includes a 90% tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

² All figures relate to vehicles with standard five-speed manual transmission (MINI Cooper) or six-speed transmission (MINI Cooper S). Values in square brackets are for models with automatic transmission (CVT).

³ The MINI Cooper and MINI Cooper S comply with the EU4 emission standard. Fuel consumption is determined in accordance with the ECE driving cycle, made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption as such.

¹ No-cost option

Room for manoeuvre.  
Front or back, the MINI is surprisingly spacious. So it's not just the driver who will enjoy those long journeys. And there's plenty of room for all your bits and pieces, with between 150 and 670 litres of luggage space.

A well-balanced individual.  
ASC + T Automatic Stability Control prevents front wheelspin, particularly when moving off on slippery surfaces.

## THE CHASSIS.

Individual suspension, with wishbones and MacPherson struts at the front and wishbones, longitudinal arms and struts at the rear, ensures enjoyable handling and gives drivers a real go-kart feeling.

## ENGINE.

The engines, specially developed for the MINI range, really make their presence felt. The MINI Cooper has an output of 85 kW (115 bhp) and a top speed of 185 km/h, while the MINI Cooper S produces a mighty 120 kW (163 bhp), propelling it to a maximum speed of 218 km/h.

## Racing pedigree.

The leather gear knob cuts a real dash – and makes changing between the five gears (or six in the case of the MINI Cooper S) a genuine pleasure. Of course, if you prefer not to work for your kicks, CVT automatic transmission is also available (MINI Cooper only).

## Style as standard.

The tachometer, which includes an LCD mileometer and trip counter, is positioned centrally on the dashboard. The circular rev counter sits on the steering column.

Chrome wherever you look. The electric windows, Automatic Stability Control + Traction (ASC + T) or Dynamic Stability Control (DSC), central locking and front and rear fog lights are all operated by chrome-plated toggle switches.

## SAFETY.

Four airbags as standard (plus two optional head airbags), disc brakes all round, Anti-lock Braking System (ABS with CBS and EBD), Automatic Stability Control + Traction (ASC + T) as standard on MINI Cooper S (optional on MINI Cooper), Run Flat Indicator (RFI) and incredibly rigid bodywork. You couldn't be in safer hands.

## An exact science.

You'll be doing a lot of driving in your MINI. And to make sure you get where you've got to go, you can have your MINI fitted with a navigation system (6.5-inch 16:9 monitor), showing you the quickest way to your destination. Should you wish to take it. (Available as an optional extra on all models.)

## Body-built.

The sports seats (as standard in the MINI Cooper S and an optional extra on the MINI Cooper) were designed on the assumption that a healthy posture and a comfortable posture are one and the same thing. Particularly in corners. They are also available in leather on all models, if you should so desire.

<sup>1</sup> Only available on MINI Cooper

<sup>2</sup> Only available on MINI Cooper S
