

KEEP IT WILD.

MINI COUNTRYMAN. JOHN COOPER WORKS TUNING.

OFF ROAD. ON TRACK.

BMW

A WINNING TRADITION.

Engineering genius, original ideas and sheer passion made John Newton Cooper a motor racing legend in his own lifetime – first as a driver, and then as a constructor. The first Mini Cooper appeared two years after the launch of the original Mini in 1959. Built by Cooper with his own hands, it was an incredibly quick and agile car that proved an instant hit with rally drivers and ordinary motorists alike. And the start of something very special. Today, the John Cooper Works performance components for your MINI Countryman continue this rich tradition, combining a glorious racing past with state-of-the-art manufacturing techniques and testing processes. Because energy plus passion is always a winning formula.

BMW

OFF ROAD. ON TRACK.

THE BEAUTY OF THE BEAST.

With John Cooper Works, powerful looks and striking design are not just for show – they are the outward sign of a total commitment to performance that has its roots in the world of motorsport. Take for example the components of the aerodynamic package. The front apron features aerodynamic spoiler attachments, while side skirts end in track-style air vents. At the back, there are motorsport-style attachments for the rear apron, incorporating a working diffuser, and sports exhaust tailpipe trims.

The aerodynamic package as a whole gives your MINI Countryman more performance and more personality. And this is also reflected in options like the light-alloy wheels and the dark sheen of the exterior mirror caps in Carbon.

However, if this is still not enough, you can give your MINI Countryman an extra dash of style with the design package. This consists of brake air ducts, side stripes and exterior mirror caps, all finished in a fiery Chilli Red.

- 1 Double Spoke R129 light-alloy wheel in Matt Black
- 1 Aerodynamic package front apron
- 1 Rear apron with diffuser
- 1 Design package in Chili Red
- 1 Sport stripes
- 1+2 Double Spoke R129 light-alloy wheel in Burnished Black
- 3 Exterior mirror caps in Carbon
- 4 Sports silencer in Chrome

FEEL THE POWER.

GET A GRIP.

The sort of power that John Cooper Works Tuning gives the MINI Countryman requires total control: you can't lose your focus even for a second. Which is why you need John Cooper Works interior components to give your MINI Countryman the look and feel of a thoroughbred racing car. The sports steering wheel in Alcantara with a Carbon trim feels every bit as good as it looks, and the gear lever features the same combination of high-quality materials. Just one look at the additional instruments (radiator temperature,

relative torque and lateral acceleration gauges) will make you feel like the road has turned into a racetrack.

- 1 Sports steering wheel in Alcantara, with optional Carbon trim
- 1 Gear lever knob in Alcantara/Carbon
- 1 Additional instruments (two can be fitted on same vehicle)

KEEP IT MINI.

MINI COUNTRYMAN. ORIGINAL MINI ACCESSORIES.

EXTERIOR DESIGN.

DO THE GREAT OUTDOORS IN STYLE.

Next time you hear the call of the wild, answer it – in your MINI Countryman. It's the perfect vehicle for when you want to get away from it all. And thanks to Original MINI Accessories, you can do so in your own unique style.

1 Turbo Fan light-alloy wheel R126 in Silver

Size 7.5J x 18-inch, 225/45 R18 V runflat tyre. Also available in White (see also p. 8, Fig. 1).

1 Additional headlights in Black

The headlights have a diameter of 140 millimetres. Mounted in front of the radiator grille, they are switched on when high beam is activated.

1 Exterior mirror caps with Black Jack design

Choose this option, and people will be looking at your mirrors almost as often as you look in them.

1+2 Optical under-ride kit

Silver-coloured attachments for the front and rear aprons give the MINI Countryman a stylish, off-road look.

1+2 Sport stripes

Available as either a body kit for the bonnet and tailgate, or a roof kit, in a choice of Black, Red or White. Can also be combined with the side stripes in Black, Red or White.

1+3+4 Side scuttles

Whether you choose a flag design (Black Jack or Union Jack) or one of the bright solid colours (Yellow, Orange, Blue, Green or Pink), the side scuttles are fitted to the side direction indicator lights, and can be changed at any time.

5 Union Jack design for sunroof

Show your true colours with the Union Jack, a reminder of over 50 glorious years of MINI history.

SPACE FOR NEW IDEAS.

It's never been easier to make a clean getaway. Because as soon as you climb inside the MINI Countryman, you're in a little world of your own – and one that you can personalize with Original MINI Accessories.

1 MINI junior seat I-II^{1,2}

The MINI junior seat I-II features a height and tilt-adjustable backrest and a restraint cushion. It has been specifically developed for vehicles with the ISOFIX child seat mounting system.

2 All-weather floor mats

A set of two or four floor mats for the front and/or rear with raised edges protect the footwells against wet and dirt. Available in Black with MINI logo or MINI Cooper S lettering.

2 Footrest and pedal mounts in stainless steel

The sparkling stainless-steel looks of these pedals are in keeping with the racing heritage of the MINI Countryman.

3 Rail box with tissue dispenser

This practical 1.5-litre box is perfect for storing small items, such as a glasses case, wallet or mobile phone. In the closed position, it can also be used as a tissue dispenser.

4 Rail note holder

Perfect for keeping important pieces of paper to hand. The rail note holder also has space for a small MINI pencil, and incorporates two coin slots.

4 Rail bag

Featuring a magnetic clasp, this bag is designed for carrying small and medium-sized items. It hangs at the side of the middle section of the full-length Centre Rail from two hooks, and can simply be taken off when not required.

INTERIOR DESIGN.

FROM COUNTRY TO CLASSICAL.

Your MINI Countryman will take you (almost) anywhere, and thanks to Original MINI Accessories, you can listen to almost anything while you drive as well. Just let your taste be your guide. And for when you need guidance of a more practical sort, there's always the Portable navigation system.

1 Snap-in adapter with USB interface

For the playback of music files stored on a mobile phone through the vehicle's audio system. It also charges the handset battery and ensures optimum reception. Available for most current mobile phones from Apple, Motorola, Nokia, Sony Ericsson and Siemens, and for RIM BlackBerry® devices.

2 iPod™ adapter cable

The adapter cable allows you to connect your portable MP3 player or iPod™ / iPhone™ to the MINI Radio.

3 Tablet DVD system and infrared stereo headphones

The perfect rear-seat entertainment system, with two monitors, a built-in DVD player, a USB interface and two in-vehicle mounting points. Suitable for the playback of a variety of video, music and image file formats. The optional infrared stereo headphones ensure superb sound quality with no annoying trailing wires.

4 Holder for Portable navigation system

This holder for Garmin portable navigation systems can be combined with a traffic information receiver, preventing a mess of wires for different devices. Supplied with an SD card containing vehicle icons, a directory of MINI Service Centres and wallpapers.

MUSIC, COMMUNICATIONS & TECHNOLOGY.

LUGGAGE & LEISURE.

BL 827RE

YOU CAN TAKE IT WITH YOU.

Next time someone asks you if you've got everything, you can truthfully answer yes. Because with Original MINI Accessories for the MINI Countryman, nothing need ever be left behind again.

1 Aluminium rear-mounted rack, lockable

This system has been specially developed for MINI, and allows up to two bicycles to be transported on the back of the car. The tailgate can still be opened when the rack is loaded. For vehicles without trailer tow hitch. Requires optional rear-mounted rack preparation.

2+3 Roof rack base support system for roof rails, lockable

The corrosion resistant cross-bars are made of high-strength aluminium tubing, and their anti-theft locking mechanism ensures they meet the highest security standards. Usable width approximately 900 millimetres. Maximum roof load 75 kilograms.

2 Surfboard holder

This holder features support surfaces in impact-resistant plastic, a built-in mast bracket, strap eyelets and retaining straps.

3 Ski and snowboard holder, lockable

Suitable for carrying either two snowboards and two pairs of skis, or up to six pairs of skis. It also has room for ski poles.

4 MINI coolbag

This CFC-free electric cooler has a capacity of 12 litres, and keeps its contents at a temperature approximately 20°C below that in the vehicle interior. The design is pretty cool as well, with MINI lettering on the front.

5 Protective bootspace cover

This multifunctional cover is made of hard-wearing PVC, and features a striking London skyline design.
