

MINI.
MINI CONVERTIBLE.

KALDES EN GOKART EGENTLIG EN GOKART OVERALT I VERDEN? (IS THE WORD GO-KART THE SAME IN EVERY LANGUAGE?)

On the following pages you'll find a few phrases that should be familiar to MINI drivers all over the world.

OUVERTURE 24 H/24. FERMETURE EN 15 SECONDES. (OPEN 24/7. CLOSES IN JUST 15 SECONDS.)

Blink and you'll miss it. The integrated sunroof function can even be operated while the car is in motion.

IL PASSO E LA CARREGGIATA? PRESTO DETTO: LUNGO E LARGA.
(WHEELBASE AND TRACK? IN TWO WORDS: "LONG" AND "WIDE".)

Wide track, long wheelbase, short overhangs, low centre of gravity – it all adds up to pure go-kart feeling.

TILAA KAHDEKSALLE HENKILÖLLE – NELJÄ SIIHEN, NELJÄ TAAKSE.
(SEATS EIGHT IN COMFORT – FOUR ON THE WAY THERE, FOUR ON THE WAY BACK.)

Not every four-seater is a MINI. But every MINI is a genuine four-seater. Including the MINI Convertible.

TE SNEL? MAAR IK ZAT NOG MAAR IN TWEE!
(TOO FAST? BUT I WAS ONLY IN SECOND GEAR!)

The MINI Cooper S has a displacement of 1.6 litres, a power output of 125 kW (170 bhp), 220 Nm of torque and races to 100 km/h in just 7.2 seconds.

MEJOR PROTEGIDO QUE EL MUSEO DE ARTE MODERNO.
(BETTER PROTECTED THAN THE MUSEUM OF MODERN ARTS.)

ABS, CBC and EBD as standard, with optional ASC+T (as standard on the MINI Cooper S) and DSC. On the MINI Convertible and every other MINI.

MINI COOPER. MINI COOPER S.

MINI COOPER.

MINI COOPER S.

All figures in millimetres.

As individual as you are: there is a generous amount of interior space, and the seats (sport seats available as an optional extra on the MINI Cooper and as standard on the MINI Cooper S) are ideal for passengers of all shapes and sizes.

The optional navigation system with 16:9 LCD monitor guides you to your destination with a combination of voice directions, arrows and/or maps.

Depending on the model you choose, the instrument panel is available in high-gloss anthracite, high-gloss silver or alloy patina, with wood décor an optional extra. On the MINI Cooper S, there is also a choice of four body-colour finishes.

TECHNICAL DATA

		MINI COOPER	MINI COOPER S
Unladen weight (EU)	kg	1150 [1165]	1215 [1235]
Displacement	cm^3	1598	1598
Max. output/max. revs	kW/bhp/rpm	85/115/6000	125/170/6000
Max. torque/revs	Nm/rpm	150/4500	220/4000
Acceleration 0 – 100 km/h	sec	9.1 [10.4]	7.2 [7.7]
Acceleration 80 – 120 km/h (4th/5th/6th gear)	sec	10.5/13.5	6.1/7.7/10.5
Top speed	km/h	200 [185]	222 [220]
Fuel consumption (urban)	l/100 km	9.7 [10.9]	11.8 [12.8]
Fuel consumption (extra-urban)	l/100 km	5.3 [5.9]	6.8 [6.8]
Fuel consumption (combined EU cycle)	l/100 km	6.9 [7.7]	8.6 [9.0]
Luggage capacity*	l	150-670	150-670
CO_2 emissions	g/km	166 [187]	207 [216]
Tank capacity	l	50	50

Figures in square brackets relate to vehicles with Continuously Variable automatic Transmission (CVT) or 6-speed fixed-ratio automatic transmission with Adaptive Transmission Control (ATC).

* Varies between 150 and 670 litres depending on whether neither, one, or both rear backrests are folded down.

MINI COOPER CONVERTIBLE.

MINI COOPER S CONVERTIBLE.

All figures in millimetres.

The MINI Convertible's fully automatic convertible soft top not only opens and closes at the touch of a button (in just 15 seconds), but also features an integrated sunroof function that opens to a maximum of 40 centimetres and can be operated while the car is moving at up to 120 km/h.

The tailgate folds down and the rear section of the soft top swings up, giving a wider opening for better access to the luggage area (Easy Load function). With the rear backrests folded down, the MINI Convertible has a luggage capacity of 605 litres.

available as an optional extra.

SOFT TOP IN GREEN:
available as an optional extra.

With a MINI Convertible, there are more possibilities than you ever imagined. And that goes for the choice of paints, upholstery and soft top colours too. There is an almost bewildering variety of possible combinations. Particularly striking is the metallic Cool Blue effect colour – depending on how the light strikes it, it can appear almost grey or a dazzling blue. But it's always appealing to the eye.

BMW AG

RECYCLING.

At every stage, from design to disassembly, recycling is central to the MINI philosophy. For example, all the materials used in its manufacture were selected because they can be used in a sustainable and environmentally friendly way. And every MINI is built to be easily and economically recycled when its driving days are finally done. We have been working on this approach since 1994 at the BMW Group Recycling and Disassembly Centre in Munich, the only facility of its kind. Your MINI dealer will also be pleased to advise you on the disposal of your old vehicle.

WARRANTY.

Every MINI is supplied with a 2-year unlimited mileage dealer warranty. (This excludes wear-and-tear parts.)

Every MINI also comes with a 12-year anti-corrosion warranty, which covers the vehicle against rusting of the body panels. This warranty is dependent on any previous damage to the vehicle body or under-body (e.g. stone impact damage, scratches, dents, accident damage or other damage caused by environmental factors) having been correctly repaired in accordance with current MINI guidelines.

The painted surfaces of the car are covered by an extended 3-year warranty. This excludes any damage to painted surfaces caused by external or environmental factors.
