

MINI TRACKER.

RETRIEVES YOUR MINI IF IT GOES ON AN
ADVENTURE WITHOUT YOU.

BMW

AS THIEVES GET
MORE CUNNING,
SO DOES MINI.

A car is stolen in the UK almost every minute. TRACKER is the ultimate car recovery bloodhound, and a bite on the bum for car thieves. There are three levels of TRACKER vigilance.

TRACKER Monitor

If your MINI goes AWOL, report the theft immediately and a hidden, signal-emitting unit is activated. Monitor can also sense an illegal movement and TRACKER will contact you to see if this is the case. Whether you report your MINI missing or TRACKER inform you, the Police will be swift to get on the trail.

TRACKER Horizon

Horizon works in the same way as Monitor but also has a GPS satellite-locating device installed. This enables TRACKER to check where your MINI is and then let the Police know immediately with accurate positional information.

MINI with TRACKER Monitor or TRACKER Horizon fitted can be tracked in France and Spain as well as mainland Great Britain and Northern Ireland.

TRACKER Response

Response works in the same way as Horizon but comes with a driver validation tag that must be carried on every adventure. In the event that your MINI goes missing, the unit will look for the signal from the tag. If it isn't detected TRACKER will contact you, start tracking your MINI and put the Police hot on the scent. Further more, Response includes access to a unique customer website providing the following additional functions:

- 24/7 customer tracking using 2D or 3D mapping
- Route planning, providing the best route for your MINI adventure
- Historical travel information for your MINI for up to six months

The TRACKER Response Stolen Vehicle Recovery service offers repatriation from over 40 European territories back to the UK.

If you would like more information about MINI TRACKER, please speak to your local MINI Dealer.

All TRACKER products are subject to a monthly or annual subscription charge. TRACKER products can be transferred to any subsequent vehicle owner. Please contact your local MINI dealer for further information.
