MINI

THE MINI CONVERTIBLE:
ALWAYS OPEN TO NEW ADVENTURES.

The MINI Convertible lets you experience go-kart handling in its purest form.

BMW AG

GREAT DESIGN FROM BOOT TO BONNET.

The MINI Cooper Convertible grabs attention by design, but it's how it performs that will really move you.

THE MINI CONVERTIBLE: BECAUSE LIFE'S MORE INTERESTING WITH A FEW TWISTS AND TURNS.

A low center of gravity and short overhangs add up to an exhilarating open-top go-kart feeling. Making every twist and turn in the MINI Convertible a thrilling experience.

Image shows MINI Cooper Convertible with MINI Motoring Accessories.

THE MINI CONVERTIBLE: THE SKY IS THE LIMIT.

At the touch of a button, 15 seconds is all you need to go from closed to always open, leaving you an uninterrupted view of the world you're motoring through.

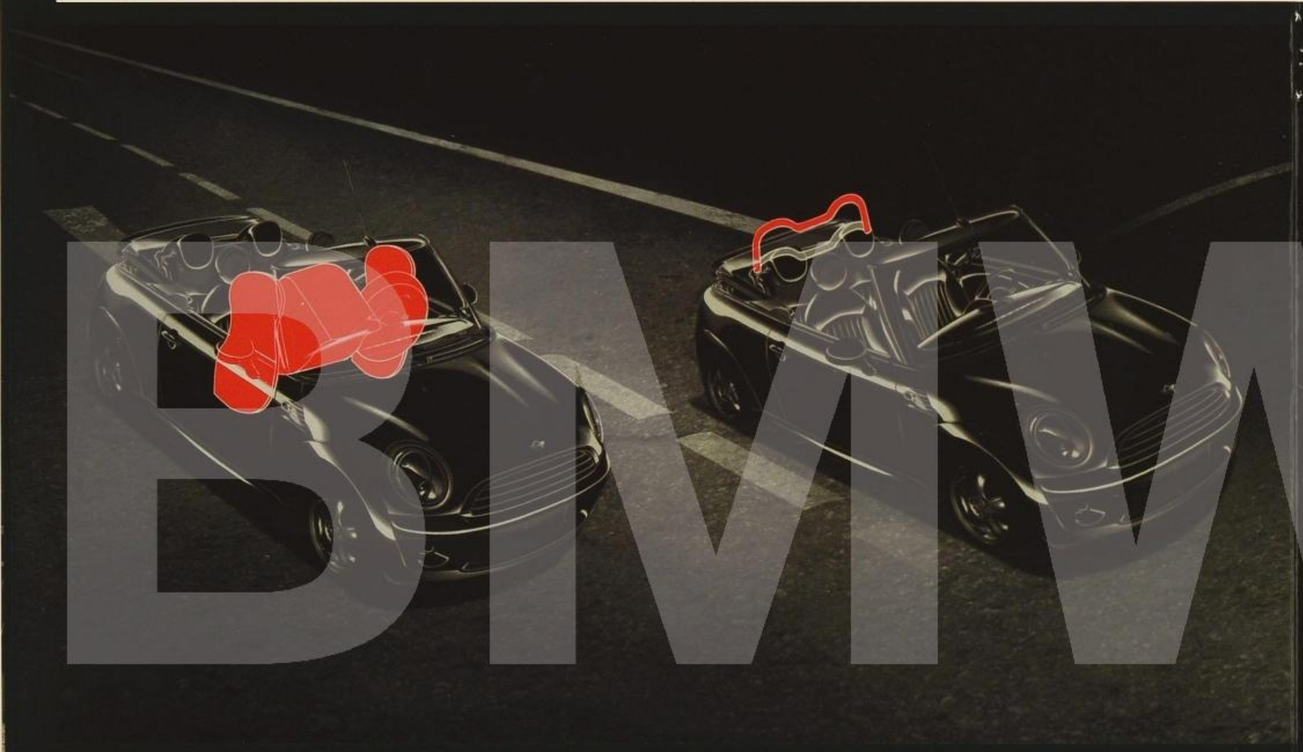
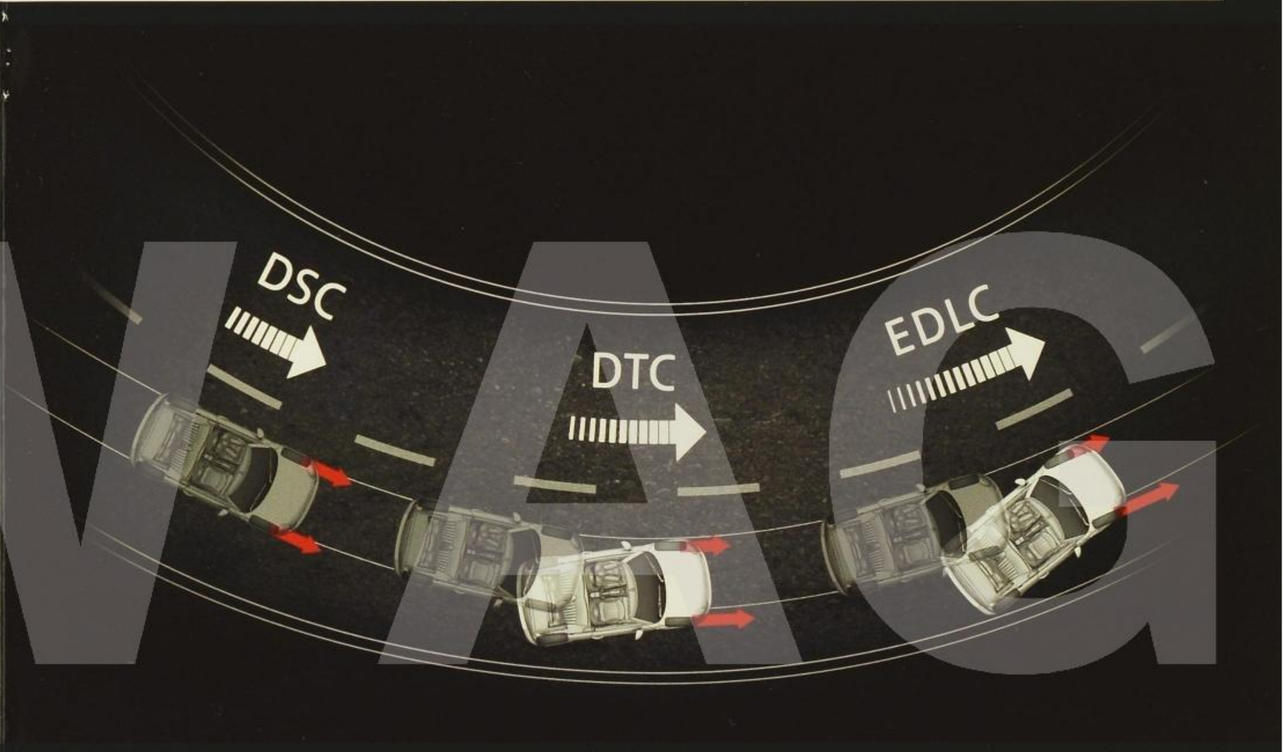
SAFETY: CUTTING-EDGE TECHNOLOGY.





BMW AG

AIRBAGS.
The MINI Convertible comes standard with four airbags. Driver and front-passenger airbags protect the head and upper body in the event of a head-on collision; the two head/thorax side airbags are primarily designed to help reduce the risk of injuries to the head, chest and abdominal areas from side impacts. Airbags may not deploy simultaneously.

ACTIVE ROLL-OVER BAR.
Made of high-strength aluminium, the active roll-over bar ensures optimum protection for all passengers. Normally it is retracted behind the rear headrests, blending seamlessly with the beautiful lines of the MINI Convertible, but in an emergency, it deploys upwards in approximately 150 milliseconds.

DYNAMIC STABILITY CONTROL AND DYNAMIC TRACTION CONTROL.

Dynamic Stability Control (DSC) counteracts vehicle instability by intervening in the engine management and applying brake force to individual wheels at front and rear as necessary. It includes hill assist which helps you move from the brake pedal to the gas pedal by temporarily holding the brake for you when on an incline.

The optional **Dynamic Traction Control (DTC)** with Electronic Differential Lock Control (EDLC) gives drivers the option to make more of the MINI's natural handling, by delaying interventions in engine management and braking until the last possible moment. The EDLC function allows you to power through a turn or curve on surfaces with variable levels of grip. Braking interventions on the rear axle also help the car to hold its line when cornering.

UNIQUELY MINI INSIDE AND OUT.

DESIGN.

Built for life, designed with style. This philosophy shapes every last detail of the MINI Convertible, making it the perfect combination of form and function. Quite simply, it's a car you can't get enough of.

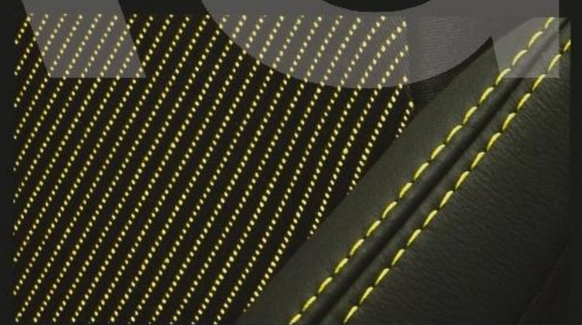
The soft top of the MINI Convertible is available in a choice of three colors – Black, Hot Chocolate or Denim Blue with silver effect.

Black Star Bullet alloy wheels are exclusive to the MINI Cooper S Convertible.

The roll-over bar behind the headrests is fully retractable, and the soft top folds away without the need for dedicated boot space.

Match Effect: interior surfaces in Horizon Blue match the exterior color.

How Open are you? The new Openometer gauge keeps track of exactly how long you've spent with the top down.



Another MINI Convertible exclusive: sport seats with Ray cloth/leather Interchange Yellow.

BMW AG

EXTERIOR AND SOFT TOP COLORS.

EXTERIOR COLORS: ANYTHING GOES.

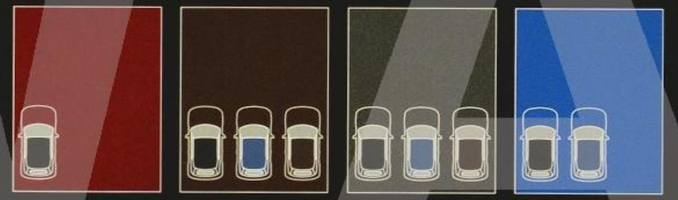
The MINI range of colors includes a wide variety of bold solid colors and unique metallic options, offset with striking contrast elements. The convertible soft top is available in Denim Blue with a silver effect, Black or Hot Chocolate, while the mirror caps come in a choice of body color, White or Black (only in conjunction with soft top in Black). Where White mirror caps are specified, White rims are also available.

SOLID COLORS

Pepper White | Chili Red | Interchange Yellow

METALLIC COLORS

Midnight Black | British Racing Green | Horizon Blue* | Pure Silver | Sparkling Silver



Nightfire Red[1] | Hot Chocolate[1] | Dark Silver[2] | Laser Blue[2]

BMW AG

SOFT TOP COLORS.

The soft top of the MINI Convertible opens and closes automatically in just 15 seconds, and incorporates a continuously variable sunroof function. And when it comes to the choice of colors, you have a similar amount of flexibility. Depending on the exterior paint color, there is a choice of up to three soft top colors – the eye-catching Denim Blue with silver effect, the rich Hot Chocolate, or classic Black. Whichever option you choose, the interior soft-top lining is always Black.

Black | Hot Chocolate | Denim Blue

RECYCLING.

Recycling is central to the MINI philosophy. Many of the materials used are selected because they can be used in a sustainable and environmentally friendly way. We've been working on this approach since 1994 at the BMW Group Recycling and Disassembly Center in Munich.

WARRANTY.

At MINI, our commitment to quality and customer satisfaction is clearly demonstrated by a 4-year/50,000-mile New Passenger Car Limited Warranty, and a 12-year/unlimited-mileage warranty against rust and corrosion perforation.

MINI ROADSIDE ASSISTANCE PROGRAM.

The MINI Owner experience continues out on the road. You're only a toll-free call away. The MINI Roadside Assistance Program is available 24 hours a day anywhere in the United States, Canada and Puerto Rico. The program offers Emergency Service Calls (battery boost, fitting of the spare tire, free delivery to a vehicle out of gas, lock-out service, towing), Trip Interruption Benefits, Traffic Accident Services & Benefits and Travel Planning Services.

NO COST MAINTENANCE.

No cost maintenance is included as standard with your vehicle. This service is included for 3 years or 36,000 miles, whichever comes first, and is determined by the service interval indicator.
