Designed for cornering: sport seats come as standard and provide excellent lateral support. The Space Blue cloth/leather combination upholstery is also easy on the eye.

No sweat: the MINI Checkmate comes with air-conditioning as standard, while side impact bars, up to six airbags and an array of driver aids help avoid sticky situations of a different kind.

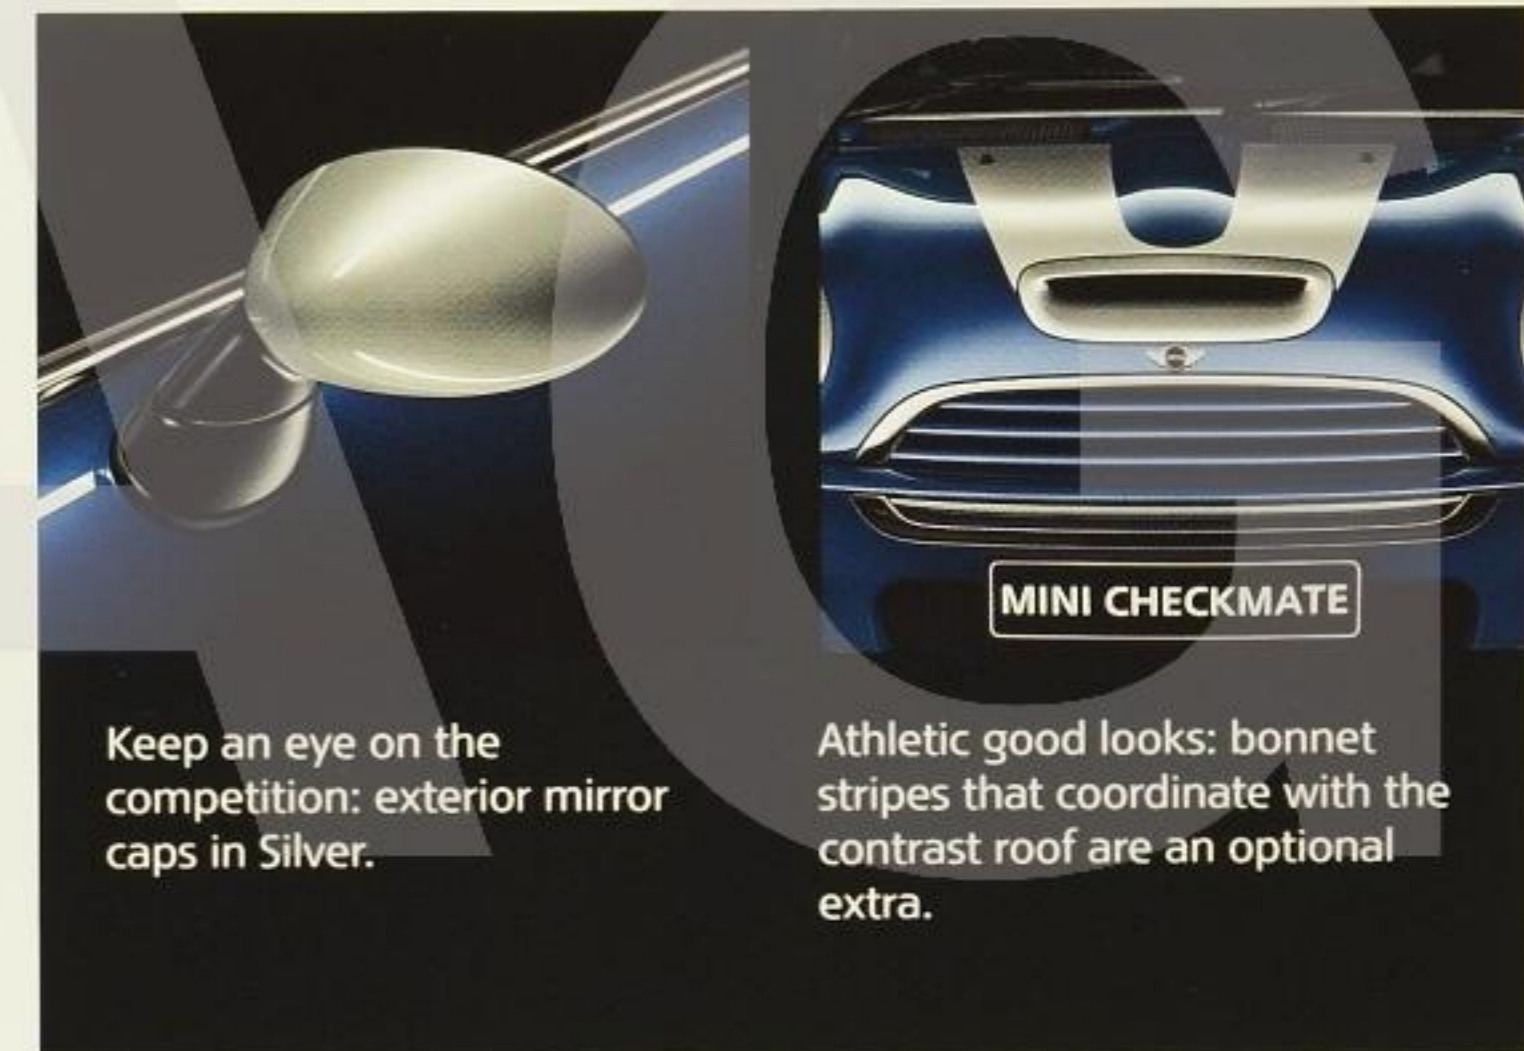

Raring to go: instrument panel and two-tone leather sport steering wheel.

It's decision time. But the unadulterated go-kart feeling that comes from wide track, a long wheel base and a low centre of gravity means there's really only one choice.
